Off-cycle payments are requested when a payment is necessary at a time other than the established payroll calendar. These instructions should be utilized as a supplement to assist in the completion of the OneUSG Connect Off-Cycle Request Form for GSU. The completed request form should be emailed to payroll@gsu.edu.

Instructions

1. The Off-Cycle Request Form for GSU is available on the GSU OneUSG Connect website at https://hr.gsu.edu/oneusg.

2. Complete the form:

   2.1. **Employee Information:**
   - **Name** – Enter the employee’s full name
   - **Employee ID** – Enter the employee’s seven (7) digit ID number
   - **Rcd #** – Indicate on which record number the employee should be paid
   - **Pay Group** – Indicate what pay group the employee should be paid under
   - **Company** – Select the institution’s company

   2.2. **Off-Cycle Type:**
   - **Standard** – All off-cycle payments will be attached to the off-cycle pay calendar that has been established by the GSU. The off-cycle calendar is established annually and will run in between each normally scheduled Bi-Weekly Pay Run. The off-cycle processing calendar can be found on the HR Payroll website at https://hr.gsu.edu/oneusg. All off-cycle requests are considered standard requests unless they are approved for emergency payment.
   - **Emergency** – Emergency payments are a subset of off-cycle pay that require a pay date earlier than the established off-cycle pay dates and shall only be processed in limited situations. Emergency payments will only be processed if the below criteria are met:
     - Undue hardship is placed on the employee because his/her respective paycheck has not been routinely issued
     - The underpayment was due to no fault of the employee
     - The request is approved by the Chief Business Officer (CBO), Jerry Radcliffe.

   More than one emergency request for an employee, in any given calendar year, must be approved by the institution president. Emergency payments are issued via direct deposit to the employee’s bank account on the third day after the request is submitted. All requests for emergency payments must be submitted to the GSU Payroll Department by the deadline as indicated on the established off-cycle processing calendar. Requests not received by this deadline will be added to the next emergency processing run.

2.3. **Payment Method:**
- **Direct Deposit** – Default payment method. In accordance with BOR policy and USG regulations, all payments will be issued via direct deposit unless a Direct Deposit exemption has been approved.
- **Printed Check** – Approved emergency payments can be issued via a printed check only in extenuating circumstances, and can only be utilized if the employee has an approved direct deposit exemption form on file. Where possible, all emergency payments should be processed as direct deposits. If an extenuating circumstance warrants a printed check, the
check will be printed at the SSC and mailed to the employee’s home address unless otherwise indicated in the special processing instructions section of the form.

- **Pay Card** – Approved emergency payments can only be issued via a pay card if the employee has an approved direct deposit exemption form on file.

### 2.4. Justification for Off-Cycle Request

In accordance with USG regulations, off-cycle requests will only be approved and processed if the payment meets at least one of the below criteria:
