

## Panther PERQs Program

The Panther PERQs program is a partnership with local, statewide and national businesses that offer discounts or other incentives to Georgia State University employees and/or students with valid University identification cards.

To use the program, a Georgia State University employee and/or student must identify themselves when making a purchase by showing a valid GSU picture ID or by giving the code, numbers, or following the instruction listed on the Panther PERQs page.

Some discounts will require registering for membership, account numbers, brochures, order forms, or other information. To attain that information, please follow the instructions on the PERQs Program page
